The Board Chairman called the meeting to order at 11:00 ^{am} a.m. Director Parker explained to the Board the different tasks associated with preparing for Canvass. She reported that the State Board of Election directed staff to conduct a sample audit count on Precincts #25 and #32. These hand-eye counts were conducted with a bipartisan team of four. Both precincts' hand-eye counts reconciled to those of the machine.

John Noce presented the supplemental absentee abstract to be signed. These ballots were those ballots allowed by GS 163-231(b).

All provisional ballots approved on November 9th had been tallied and added to the final count. Any other adjustments to the final tally were made.

Director Parker requested approval for a \$1,000,000 capital request for an election supply warehouse. The board gave unanimous approval for this request.

The board signed the final abstracts for the November 3, 2015 elections.

The meeting adjourned at 12:00 noon.
