

# How to Use Buncombe County's Affordable Housing Map

1. Open the map and click on the highlighted icon in the top right to start filtering your desired categories.

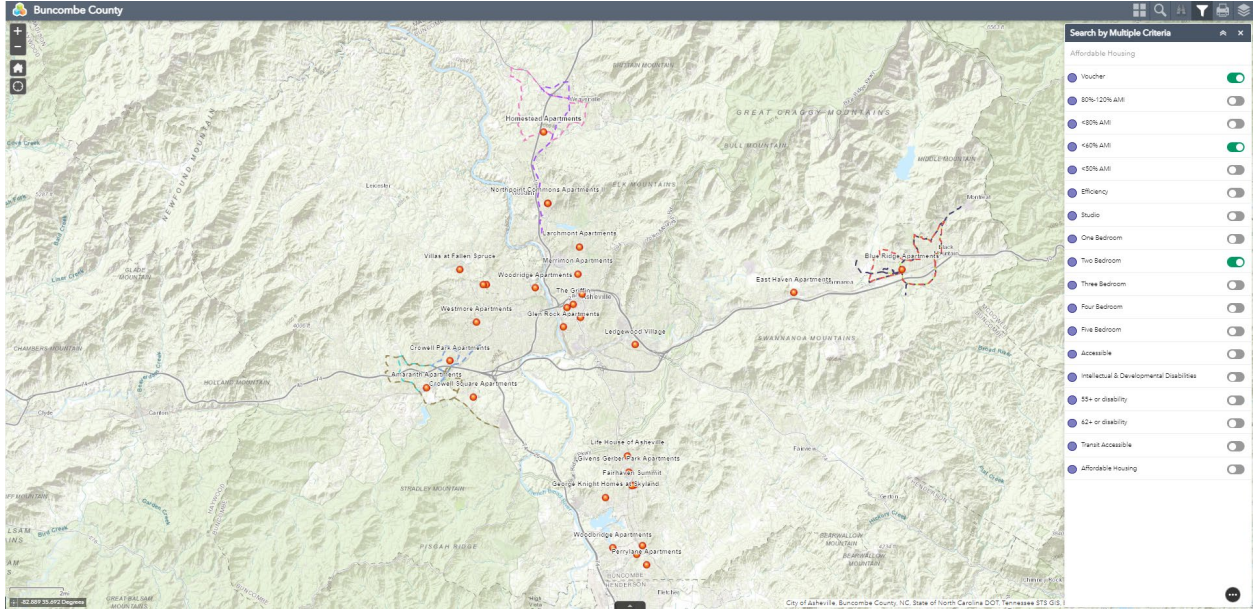

2. Once the above highlighted icon is selected, the below list of filtering options will appear

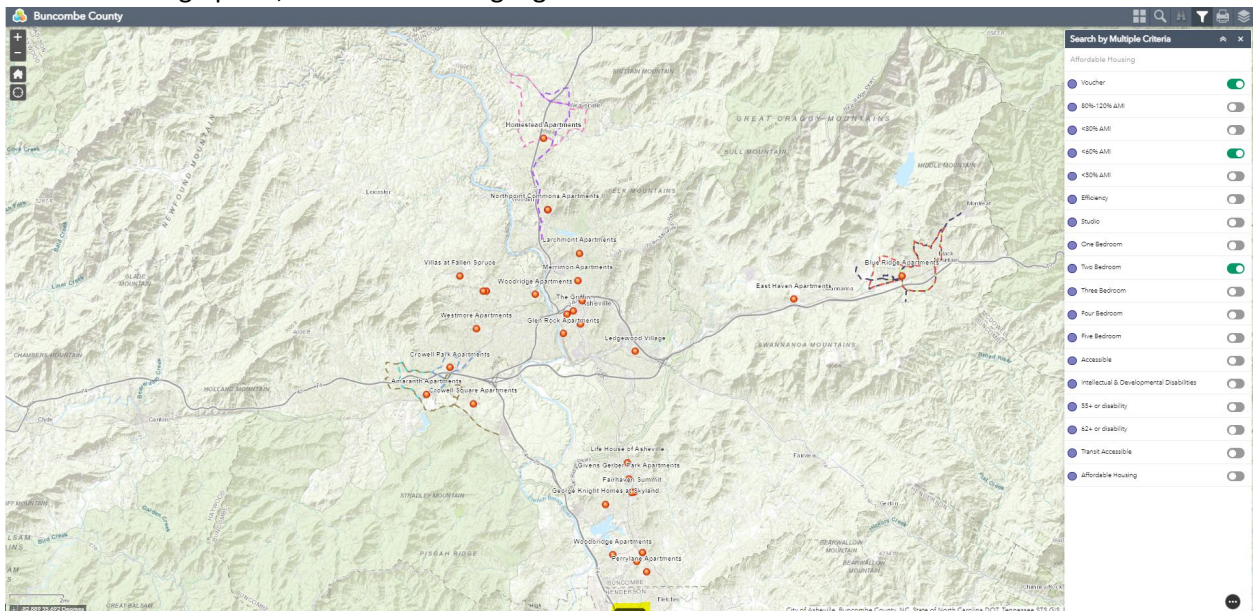

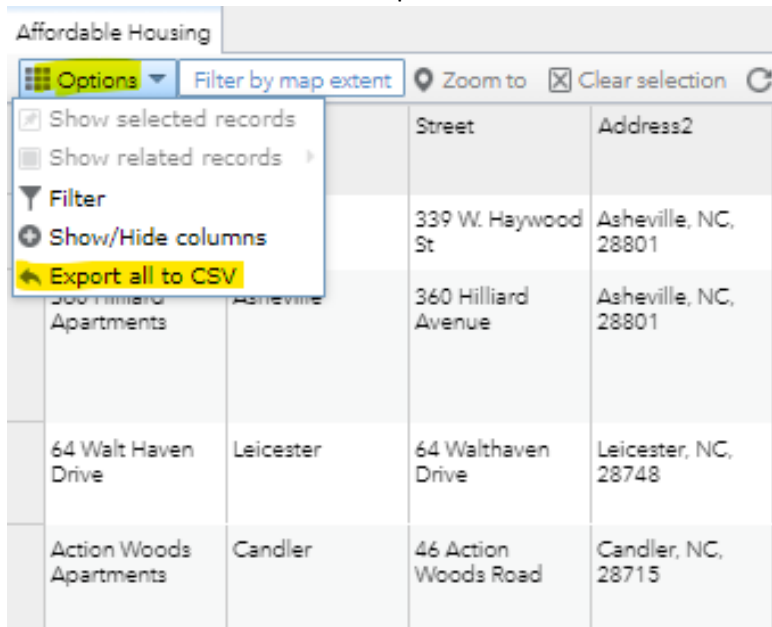

- Select the toggles on the right to filter housing options the best suit your needs, the selected options should slide right and highlight green. This will present the housing options that provide the needs you are looking to fulfill in housing. The example below shows housing options that accept housing vouchers, are targeted for residents with income  $\leq 60\%$  AMI, and have two-bedroom units.

- To receive a list with contact information and other supplemental information about each filtered housing option, first select the highlighted arrow on the bottom.

- After the arrow on the bottom is selected, click on the highlighted 'Options' category in the top left of the menu. Then select "Export all to CSV"

- This will open a spread sheet with contact information, as well as other supplemental information. Left click twice on columns A, C, and F to ensure the complex name, address, and phone number are visible
