**Pros**

**Cons**

*Staff recommendations look at best available information in order to determine how well a particular proposal meets the intent of the land use plan. The recommendation provided was reached by determining that the proposal generally conformed to the land use plan; but the proposal may not conform to every aspect of the land use plan.*

**Funds required**

**Alternatives**

If the Board of Commissioners denies the request, the Zoning Ordinance does not allow the Planning Board or Board of Commissioners to reconsider the same request within 12 months of the denial. However, a request for a different zoning district or a revised area of the property may be considered as a new application during that time.
