

Vance E. Kee Award – Johnny Wilson Received

This award is presented to the Local Emergency Management Staff Person who has demonstrated outstanding achievement in their local Emergency Management program, through promoting Emergency Management among other County and State agencies and elected officials. (Criteria.....a minimum of two (2) years experience, minimum of a Level IV Emergency Management certification, and the written endorsement from Manager or Chairperson.)

NCEMA Presidents Award - Jerry VeHaun received.

There hasn't been a description developed for this award but basically it is presented by the out-going President to the individual or individuals that he or she feels have significantly benefitted the association during the past year or have greatly assisted him/her during their presidency.

James F. Buffalo Award – Mark Howell (NC Dept of Agriculture) Local

This award is presented to the person outside of the Emergency Management family who has exhibited outstanding support and leadership to emergency management agencies. This support was accomplished through any programs or assistance that has enhanced emergency management operation
