

## NC Arboretum Campus Police

**To:** SGT. Michael Murphy/BCSD  
**From:** North Carolina Arboretum Campus Police/Chief Emily West  
**Date:** 7/1/2015  
**Re:** X-26 TASERs/Batteries/Holsters/cartridges

---

Sgt. Murphy,

I would like to request the ownership of 15 X-26 TASERs, 15 batteries, 15 holsters, and 30 cartridges if these items are still available from the storage of the Buncombe County Sheriff's department.

Our department would greatly benefit from the use of your discontinued equipment. Please let me know of how we might obtain this equipment and who needs to be notified other than this request to you.

If this request is honored, The North Carolina Campus Police department will take authority over this equipment and its continued maintenance until the equipment is deemed unusable by TASER. Our department will be glad to come and sign any necessary documents to make this change in ownership valid.

On behalf of the North Carolina Arboretum Campus Police department I would like to thank you for this opportunity! We can come by anytime to pick up TASER equipment when it is convenient for you.

Sincerely,

Emily G. West

Chief/N.C Arboretum Campus Police
