WHEREAS, following public hearings held on October 20, 2015, this Board has approved resolutions creating fire protection and ambulance and rescue service districts covering all areas originally covered by the North Central Fire Protection Service District and which areas are to be served by the Reems Creek, Woodfin and North Buncombe fire departments effective July 1, 2016; and

WHEREAS, a county may abolish a service district pursuant to GS §153A-306, Abolition of service districts, if its board finds that there is no longer a need for a district and that there are no outstanding bonds or notes issued to finance projects in the district; and

WHEREAS, new fire protection and ambulance and rescue service districts have been established to provide financial support for the districts and to contract with volunteer and professional fire departments to provide services as single-source, full service and comprehensive responding agencies as part of the Buncombe County EMS System; and

WHEREAS, there is no record of any Buncombe County bonds or notes issued to finance projects in the North Central Fire Protection Service District; and
