

RESOLUTION OF PLANNING BOARD RECOMMENDATION TO THE BUNCOMBE COUNTY BOARD  
OF COMMISSIONERS ON A PROPOSED ZONING MAP AMENDMENT

---

WHEREAS, The General Assembly of North Carolina adopted Session Law 2014-26 amending NC Gen. Stat. Sec. 153A-342(d) to allow Buncombe County to zone unincorporated areas less than 640 acres and at least 10 separate tracts of land in separate ownership;

WHEREAS, the Zoning Administrator of Buncombe County has proposed that the following property and related right-of-way shown on the enclosed map and located within the unincorporated areas of Buncombe County be zoned Public Service PS:  
  
tax lot PIN 9627-95-5515 (590 Brevard Road).

WHEREAS, the Zoning Administrator certified that notices of the meeting of the Buncombe County Planning Board at which this amendment was considered have been properly mailed to members of the Planning Board, owner(s), and all adjoining property owners at least ten (10) days prior to the meeting; public notice of the meeting has been properly published in a newspaper having general circulation in the County; and notice of the public hearing concerning this zoning map amendment has been prominently posted as required;

WHEREAS, pursuant to N.C. Gen. Stat. §153A-344 and §78-719 of the Buncombe County Code of Ordinances, the Planning Board is charged with making a recommendation to the Board of Commissioners and to comment on whether the proposed zoning change is consistent or inconsistent with the Buncombe County Comprehensive Land Use Plan and Updates and on whether the proposed zoning change is reasonable and in the public interest; and

WHEREAS, the Planning Board has reviewed the proposed map amendment, has heard public comment, and consulted with planning staff, and, after careful review, has determined that it is in order to approve this amendment and make recommendation to the Board of Commissioners for Buncombe County that the proposed amendment be approved.

Based on the facts as set forth above the Buncombe County Planning Board hereby finds and concludes as follows pertaining to the proposed amendment to the Zoning Map as set forth above:

1. said zoning map amendment is consistent with the Buncombe County Comprehensive Land Use Plan and Updates because the Buncombe County Comprehensive Land Use Plan 2013 Update (Figure 20. Appropriate Development Types) identifies commercial and industrial development as highly suggested within areas that are within reasonable proximity to major transportation corridors and combined water/sewer service areas, are not

located within steep slope areas or those with high elevations and high slope stability hazards or flood prone areas. Further the plan highly suggests that commercial and industrial development be separated from low-density residential uses. The proposed map amendment is compatible with surrounding PS zoned property (WNC Farmers' Market) to the North and East of the subject property as well as the current use of the property for a place of worship;

2. the subject property consists of an existing church and associated cemetery. Property to the South is part of the Biltmore Estate and zoned CR, to the East and North is the WNC Farmers' Market property which is zoned PS. Property to the West is a mix of uses including a post office and gas station/convenience strip center located within the City of Asheville and separated by Brevard Road; and
3. therefore said zoning change is reasonable and is in the public interest.

NOW, THEREFORE, BE IT RESOLVED that upon motion and second, the Buncombe County Planning Board hereby recommends as follows:

1. That the Board of Commissioners approve this zoning map amendment for the following property and related right-of-way shown in Figure A and located within the unincorporated areas of Buncombe County to be zoned Public Service PS:  
tax lot PIN 9627-95-5515 (590 Brevard Road).

Adopted by a vote of 8 to 0.

This the 16<sup>th</sup> day of November, 2015.
