Buncombe County Agenda Item Information Sheet

AGENDA ITEM:
Budget Amendment – Fund 30

MEETING DATE: March 7, 2017

REQUESTED BY:
Jon Creighton by Denise Braine

Background information

NCDHHS is requiring all providers of Medicaid transportation to submit claims directly into NCTracks for reimbursement. The NCDOT is providing funding assistance to systems using advanced technology software for the purchase of an interface that will allow batch claim submittals in NCTracks. A demonstration grant will be awarded to purchase the software and receive 100% state funding on the cost.

Pro's	Con's
Demonstration grant fully offsets the purchase cost of software necessary to comply with requirements.	None

Funds required in current budget:

$12,300 increase in revenues/expenses for state grant. No additional County funds required.

Funds required in future budgets:

$1,500 technical support costs. No additional County funds will be requested for this increase.
