Subject: Re: FY18 Tax Rate Justification

Good Morning!

I apologize for not having that attached to the first email. Our budget is set at 12.5 per the Board of Directors for the Upper Hominy Fire Department to provide for staffing due to the decline in Volunteer Firefighters. This budget also covers the increase in insurance rates, and payment for new apparatus. If any other information is needed, please contact me. Thank you again!

Chief Shane Prestwood
Upper Hominy Fire and Rescue
