Dear Ms. Henderson:

We have recently been made aware of an opportunity to partner with the NCDOT to apply for a sidewalk grant for the Emma Community. The total cost of the project is estimated to be \$85,350. Buncombe County is excited about opportunities to expand and improve safe and convenient transportation for pedestrians.

We are excited about this opportunity and offer our support for the project and your efforts to proceed with the grant. Additionally, Buncombe County is offering financial support for this project in the amount of \$5000. If we need to take any further action, please let me know. Please forward this letter to the appropriate parties as needed.

Thank you for the work that you do for our community.

Sincerely,

Brownie Newman
Chairman
