

**BUNCOMBE COUNTY, NORTH CAROLINA
BUDGET AMENDMENT
GENERAL FUND**

BOARD MEETING DATE: 09/19/2017

Requesting Department:	Health & Human Services
Budget Amendment Item:	Adoption Promotion Program

Background Information:
 The State Division of Health and Human Services makes funds available to enhance and expand adoption programs, to secure permanent homes for hard to place children, and to encourage partnerships between public and private agencies to achieve permanency for children in a timely manner by providing incentives for the adoption of special needs children. Agencies are compensated for adoption services that culminate in the finalization of an adoption. These services include: recruitment of adoptive family, pre-adoption training, post placement support and the facilitation of legal procedures resulting in issuance of a decree of adoption. Counties must reach their designated baseline before they are eligible for these incentive funds with the exception of adoptions of youth 13 to 18 years of age for which reimbursement is available regardless of meeting the baseline.

Funding Source:
 No County funds are required. Federal share is 100%
