<b>Granting Agency:</b>	US Dept of Homeland Security/NC Department of Public Safety
<b>Grant Name:</b>	Emergency Management

**Description:**

Buncombe County is part of North Carolina Domestic Preparedness Region 9 (DPR9). DPR9 consists of the 12 westernmost counties and the Eastern Band of Cherokee Indians. NC Emergency Management created the DPRs to regionalize the distribution of Homeland Security Grant funding and to encourage regional Homeland Security Planning. The DPR9 leadership determined there was a need for rapid deployment tent packages that included tri-fuel heaters capable of providing back-up heat to critical facilities or to tent facilities set up at a field command. The reallocated Homeland Security funding was used to purchase additional tri-fuel heaters. This grant is complete and ready to be closed.

**Funding Source:**

\$4836 via grant funds from the US Department of Homeland Security passed through the North Carolina Department of Public Safety.
