

Tax Collection

Modification Agreement with the City of Asheville

6/19/2018

Overview

- **Background:**

- City of Asheville expressed concerns regarding impact of recent revaluation on fees for County Tax Collection services.
- City and County staff collaborated on a plan for “right-sizing” the collection fees.

- **Plan:**

- **Short Term (now):** Modify the existing agreement to hold tax collection fees at prior year rates for the upcoming year.
- **Long Term (next 12 months):** City and County work together to establish a mutually beneficial fee structure for future years. Conversations are underway.

- **Request:**

- Board of Commissioner approval for the one year modification agreement and associated tax collection fees (\$795,000).
