I hereby certify that all information in this application is correct and all work will comply with the State Fire Code and all other applicable State and local laws and ordinances and regulations. The Asheville Fire and Rescue Department will be notified of any changes in the approved permit and specifications for the activity described herein. Before a operational permit is approved, the fire code official is authorized to inspect the receptacles, vehicles, buildings, devices, premises, storage spaces or areas to be used to determine compliance with this code or any operational constraints required. I agree to allow all needed site inspections. Issued permits shall be kept on the premises designated therein at all times and shall be readily available for inspection by the fire code official. If the application for a permit describes a use that does not conform to the requirements of this code and other pertinent laws and ordinances, the fire code official shall not issue a permit, but shall return the application to the applicant with the refusal to issue such permit. Such refusal shall, when requested, be in writing and shall contain the reasons for refusal.

Distances may vary, however there will NOT be any devices placed less than 15' from the Audience

Open Flame Effects

There will be 2 Flame Effects that are fueled by Coleman's White Fuel. The 1st is wicked Knives that are thrown, the 2nd are Juggling Torches, Before the props are set an assistant adds fuel to the wicks, the prop is set and lit. Knives are extinguisher by snuff blankets and the torches are extinguisher. The assistant is wearing Fire Resistant Gloves, Long Sleeve Shirt & Safety Glasses; he stands by with a Fire Blanket and an extinguisher until the end of the act.

These Effects are center ring and 40+ ft from the nearest audience.
