Class Description:

Tadpole I and II (Ages 3-6)*: Class time 10:30 – 11:00.

Tadpole I class is for a child who may be apprehensive in the water or who has never had swim lessons. Participants may not be comfortable with their face getting wet. This class introduces new little swimmers to the pool and helps them become acquainted with the pool and the use of flotation devices. Little swimmers will develop safe water habits in a fun and encouraging environment.

Tadpole II class is for the beginner swimmer who is comfortable in the water but has not yet mastered certain skills. Participants should be comfortable well-adjusted to the water (don't mind getting their face wet) and eager to learn kicking and progressive paddle-stroke. Additionally they learn more about pool safety and developing independent floating skills.

Minnows I and II (Ages 6-9)*: Class time 11:15 – 11:45.

Minnow I swimmers learn front and back floating skills, the paddle-stroke, flutter kick, elementary backstroke, personal safety and the use of flotation devices. This class is for the school-age swimmer who has never had swim lessons.

Minnows II swimmers continue to build confidence in their abilities by practicing paddle-stroke skills, floating, and rotary breathing without the aid of flotation devices. Children learn new skills such as treading water and survival floating. Lead-up strokes to the front crawl, back-stroke, sidestroke, breaststroke and elementary backstroke are also introduced at this level. Students must be comfortable in the deep end and be able to swim 25 yards without a flotation device.

Costs: \$30.00 per week and \$60.00 for a full two week session.
