

RESOLUTION OF PLANNING BOARD RECOMMENDATION TO THE BUNCOMBE COUNTY BOARD
OF COMMISSIONERS ON APPLICATION FOR PROPOSED ZONING MAP AMENDMENT

WHEREAS, the Zoning Administrator for Buncombe County has received an application from Matthew R. King on behalf of Avery's Creek, LLC requesting an amendment to The Official Zoning Map of Buncombe County on a portion of the parcel identified as follows and as shown in Figure A attached:

tax lot PIN 9634-14-6580 (located on the North side of Avery Creek Rd across from Comer Dr).

The Applicant is requesting that the zoning designation for this parcel be changed from Low-Density Residential District R-LD to Residential District R-2;

WHEREAS, the Zoning Administrator certified that notices of the meeting of the Buncombe County Planning Board at which this application was considered have been properly mailed to members of the Planning Board, the applicant(s), owner(s), and all adjoining property owners at least ten (10) days prior to the meeting; public notice of the meeting has been properly published in a newspaper having general circulation in the County; and notice of the public hearing concerning this zoning map amendment has been prominently posted as required;

WHEREAS, pursuant to N.C. Gen. Stat. §153A-344 and §78-719 of the Buncombe County Code of Ordinances, the Planning Board is charged with making a recommendation to the Board of Commissioners and to comment on whether the requested zoning change is consistent or inconsistent with the Buncombe County Comprehensive Land Use Plan and Updates and on whether the requested zoning change is reasonable and in the public interest; and

WHEREAS, the Planning Board has reviewed the application, has heard public comment, and consulted with planning staff, and, after careful review, has determined that it is in order to approve this application and make recommendation to the Board of Commissioners for Buncombe County that the application be approved.

Based on the facts as set forth above the Buncombe County Planning Board hereby finds and concludes as follows pertaining to the proposed amendment to the Zoning Map as set forth in the said application of Matthew R. King on behalf of Avery's Creek, LLC:

1. said zoning change is consistent with the Buncombe County Comprehensive Land Use Plan and Updates because the Buncombe County Comprehensive Land Use Plan 2013 Update (Figure 20. Appropriate Development Types) highly suggests that multifamily residential development be located within reasonable proximity to infrastructure (combined water/sewer service area) and outside of high and moderate slope stability hazards (the majority of the property falls outside of these areas) and located outside of flood hazard areas, and further

suggests that multifamily residential development be located outside of high elevations (2,500' +) and steep slope areas (25% +);

2. the subject property is adjacent to property zoned Residential District R-2;
3. the rezoning of the subject property would not be detrimental to the owners, adjacent neighbors, and surrounding community; and
4. therefore said zoning change is reasonable and is in the public interest.

NOW, THEREFORE, BE IT RESOLVED that upon motion and second, the Buncombe County Planning Board hereby recommends as follows:

1. That the Board of Commissioners approve this application for a zoning change for a portion of tax lot PIN 9634-14-6580 (located on the North side of Avery Creek Rd across from Comer Dr),

as shown in Figure A, to Residential District R-2.

Adopted by a vote of 9 to 0.

This the 1st day of June, 2015.
