BOARD MEETING DATE: June 05, 2018

WHEREAS, the Budget Director recommends and the Board now desires to amend the FY2017-2018 Capital Projects outlined below in Exhibit "A" to the budget, **NOW THEREFORE**,

BE IT ORDAINED by the Board of Commissioners for the County of Buncombe as follows:

1. That the FY 2017-2018 project amendments listed in Exhibit A below be hereby adopted.
2. That this ordinance shall be effective upon adoption.

ADOPTED this 5th day of June, 2018

Project Name:	Contract Management Software
----------------------	------------------------------

Project Descriptions:
 Buncombe County is currently pursuing a Contract Management Software solution. The cost of this solution will be spread over two fiscal years: FY2018 and FY2019. Buncombe County's Information Technology department had earmarked funds in their FY2018 operating budget, however obligations with vendors have not yet started. This amendment will allow us to move earmarked FY2018 budget to a multi-year fund to pay for the first portion of this Contract Management Solution.

Funding Sources:
 Interfund transfer from the General Fund.
