Background Information:
 During the FY2019 budget process, the Board of Commissioners approved \$80,000 for security camera installations at each Library Branch. Additionally, the Commissioners approved \$60,000 for Wireless upgrades. Buncombe County's Information Technology department will be managing these projects and have requested that we move these funds into a capital account in the event that the project spans fiscal years. Only \$58,000 is needed from the \$60,000 for the wireless upgrades. This is funded from existing budget approved June 19, 2018.
