

EXHIBIT C  
Task Order Number 19-17  
Pipe Abandonment  
Buncombe County Solid Waste Department

SCOPE OF SERVICES

**Scope of Work Description**

SCS is pleased to provide this proposal to visit the Buncombe County Solid Waste Management Facility on November 29, 2018 to cap and abandon a 6-inch leachate line on the sideslope and active fill area that was damaged during filling operations.

SCS will provide two technicians for up to one day, including travel, to complete this task.

Additionally, the following materials have been purchased:

1. Eight 10-foot custom fabricated valve stem extensions

**Deliverables and Schedule**

Work will commence within 7 days of notice to proceed.

**Compensation**

Compensation to the Contractor for services performed under this Task Order will be in accordance with the (lump sum) or time and materials (*circle one*) invoice method and shall be based upon the fees as set out in the Agreement.

SCS ENGINEERS, PC proposes to complete this Task for a fee of \$14,400. This fee, which is based on the assumptions provided in this Task Order proposal, shall not be exceeded without written authorization from the County.

The above lump sum price is based on an event fee of \$3,000, plus \$11,400 for purchase of materials.
