# MEDIC DISPATCH CENTER AND 24 HOUR COVERAGE

MEDIC hosts its own Dispatch Center to ensure daily operations are effectively executed.

MEDIC is currently using Active 911 to dispatch units to calls for service and provide a record of dispatch for future reference. In the past calls that were dispatched to a MEDIC unit were also transferred to CAD Page and sent to MEDIC electronically allowing for better record keeping. Buncombe County has ceased this practice at this time making reconciliation difficult. We would encourage Buncombe County to resume this practice to ensure adequate record keeping, and delivery of important information to responding crews. Furthermore MEDIC has been issued permission by NC State to utilize and equip the VIPER Radio System. MEDIC needs to have these radios programmed by Buncombe County Commination's to ensure Communication Interoperability.

MEDIC can be contacted for service 24 hours a day 828-684-0287

Business Phone 828-684-3263

MEDIC schedules employees to be available for response 24 hours a day 365 days per year. A schedule example is referenced on ICS 204 on the following page.
