Subject: RESOLUTION SETTING FEES AND COSTS

Brief Summary: Standard practice is to adopt fee schedules for next fiscal year along with the Budget Ordinance. This Board approved a Resolution Setting Fees and Costs for Fiscal Year 2019 at its June 19, 2018 regular meeting. County administration has determined that staff should work through the schedules to assure accuracy and formatting, so a Fee Schedule for FY 2020 is not yet ready. In order to avoid confusion or possible lapse in charging appropriate costs and fees, we are asking the Board to re-approve the current fee schedules until this task of revamping the Fee Schedule is accomplished at which time we will ask the Board for approval of a new set of fee schedules and get back into the fiscal year cycle thereafter.

Recommended Motion & Requested Action: Approve the Resolution Setting Fees and Costs

County Manager's comments and Recommendation: Manager recommends approval as presented.
