Subject: Reems Creek Greenway Project

On June 19, 2018, the Board of Commissioners approved a General Fund transfer of \$60,000 for the Reems Creek Greenway Project. In addition to the dollars Buncombe County approved, the Town of Weaverville, whose jurisdiction includes the Reems Creek Greenway, will contribute a \$60,000 match. This \$120,000 will comprise 20% of the project budget, while the North Carolina Department of Transportation (NCDOT) will provide \$480,000, or the remaining 80%. As NCDOT approves project stages, they will reimburse Buncombe County. With this amendment, the total project budget will be \$600,000.

Buncombe County (Budgeted)	\$60,000
Town of Weaverville	\$60,000
NCDOT	<u>\$480,000</u>
