Air quality fees are determined by the WNC Regional Air Quality (WNCRAQA) Board per the Interlocal Agreement between Buncombe County and the City of Asheville. These fees including definitions and additional details not listed above are included in Chapter 17. 0203 of the Agency's regulations, which can be found under 'regulations and forms' on the website at [www.wncairquality.org](http://www.wncairquality.org). With the exception of the annual Title V tonnage fee which is determined each year by the Board as part of the budget process, all other fees are adopted into the WNCRAQA Code through the Agency's rule making process which includes public notice and comment procedures. Chapter 1 of the WNCRAQA Code includes the Interlocal Agreement, the authority under which the program is administered.

### **Fee schedule for Public Record Requests**

Pursuant to NCGS 132-6.2, the Communications and Public Relations office is adopting the following fee structure for public records requests. Buncombe County Communications and Public Relations shall not charge any fee that exceeds the actual cost to the County in producing the record. "Actual cost" is limited to direct and chargeable costs related to the production of the public record and does not include costs that would have been incurred by the County if the request had not been made.

### **Fee Schedule**

Communications and Public Relations shall deliver the records at no charge by email in Adobe PDF format, unless otherwise requested. A reasonable fee may be charged for drive/hard copies, postage, labor (for extraordinary large orders), and certified copies. Fees should be paid prior to delivery.

Adobe PDF	No charge
Flash Drive	\$3.95 (drive will be provided by this office)
Hard Copies	BXW/Color .10/page
Certified Copies	\$5 for first page/\$2 per each additional page
Postage	Postage will be charged at rates set by the United States Postal Service

The public may inspect records at the Administration office, without asking for copies, by appointment only, during regular business hours.

### **Fees for Extensive Personnel Time and Use of Technology**

Communications and Public Relations reserves the right (under NCGS 132-6.2b) to charge a service fee based on the actual cost incurred for extensive use of information technology resources or labor costs of personnel providing the services.

If the request is such as to require extensive use of information technology resources, or if producing the records in a medium requested, results in an excessive use of information technology resources, then the office may charge, in addition to any applicable copying fee, a special charge. The special charge will be reasonable and no greater than actual costs incurred. Extensive use of information technology resources is determined on a case-by-case basis. The PIO will provide an estimate of the costs for an extraordinary request prior to making the records available for inspection or release, in order to allow the requestor the option of either agreeing to pay the charge or revising the request to narrow its nature or scope. Multiple requests regarding a particular issue within a short period of time from the same individual or organization will be considered a single request for purposes of determining whether to charge under this section.

The actual cost of redacting legally privileged and/or confidential information may not be included in calculating this special charge. However, to the extent practicable, all employees involved in fulfilling a public records request shall maintain a reasonable approximation of the time spent on that task to the nearest half hour.

Any waiver of fees will be considered on a case-by-case basis.

## Guidelines for Determining Eligibility for Sliding Fee Scale

### How does the Sliding Fee Scale work?

- Clients must show proof of income and family size.
- Staff will use this information to determine what percent of fees a client must pay, based on the sliding fee scale (above).
- If income cannot be confirmed at the time of screening, or if a client declines to provide information to verify employment, the charge for services will be at 100% pay.
- If proof of income is received at a later date, retroactive adjustments are limited to charges within the past 30 days.
- If clients report false information, they will no longer be allowed to use the sliding scale, except for Family Planning service fees.
- Eligibility for reduced fees will be re-checked:
  - Anytime the client's income and household size changes, and/or once every 12 months.
- A Clinical Services Nurse Supervisor or Practice Manager may make exceptions to the fee policies for those who are unable, for good cause, to pay for family planning services. If this situation

occurs, documentation of the process is required.

- Clients are not denied services or subjected to variation in quality of services because of the inability to pay.
- Clients at or below 100% of the Federal Poverty Level are not charged for Family Planning services.
- Income reported for Family Planning financial eligibility screening can be obtained from other programs offered in the agency.

### **Which BCHHS-DH services offer a Sliding Fee Scale\*?**

- Family Planning services, HIV Pre-Exposure Prophylaxis services and post-exposure rabies treatment.

\*There may be conditions on when the sliding fee scale applies (see sections above).

### **When does the Sliding Fee Scale discount NOT apply?**

- For insurance co-payments
- For certain service charges, including:
  - **Pharmaceutical** charges for **Foreign Travel** medications
  - **Environmental Health** services
  - **Immunization** services, except post exposure rabies injections
  - **Refugee** services
  - **Medical Records** copies
  - Certain other “Miscellaneous” services

### **How often is a client screened for Sliding Fee Scale eligibility?**

We review financial information on clients to see if they are eligible for reduced fees on the BCHHS-DH Sliding Fee Scale (tables on page 16). The Economic Unit is the method of income collection used to determine financial eligibility for patient fees. We do financial screening:

- on all new clients;
- when clients report that family size and/or income has changed;
- if it has been **1 year** or more since they were last screened.

### **Who is considered a member of the “family” for determining eligibility?**

#### **Definition of Family Size/Household and Countable Gross Income**

1. **Family:** A family of two or more is defined as a group of persons related by birth, marriage, adoption, or a defined dependent relationship, who live together in a household. Persons are considered members of a “family” when their production of income and consumption of goods are related.
  - A client with no income must be considered part of the larger family unit that is providing support to the client.
  - Groups of persons living in the same house with other people may be considered a separate family unit. For example, if two sisters and their children live in the same house and both work and support their own children, they would be considered two separate households.
2. **Dependent Status:** Dependent household members are defined as those persons for whom the head of household:
  - has a legal responsibility to support, or
  - has voluntarily extended support

These relationships are usually defined as legal adoptions and guardianships. Guardianship status must be supported by court documents defining the guardian relationship/responsibility.

**Exceptions:**

- A foster child assigned by DSS shall always be considered a family of one.
- **Teens and others requesting confidential Family Planning Services will have their income assessed as a family of one.**

3. **Family/Household Income:** Dollar amounts represent gross monthly income, the total cash receipts before taxes, from all sources. This is the total of all household income from each “counted” family member.
4. **Income Sources:** All income from full or part time employment, produced by all dependents, must be declared as part of the household income. Income sources include:
  - Salaries and wages
  - Earnings from self-employment (deduct business expenses, except depreciation)
  - Interest income
  - All investment and rental income
  - Public assistance
  - Unemployment benefits
  - Worker’s compensation
  - Military allotments
  - Social Security benefits
  - VA benefits
  - Retirement and pension pay
  - Insurance or annuity plans
  - Gaming proceeds and any other income not represented here that contributes to the household consumption of goods. This list is not all-inclusive.
5. **Income Verification:** We require income verification before a client can be eligible for a sliding scale discount. Any **one** of the following is acceptable:
  - Current pay stubs
  - Signed note from employer that shows client’s income before taxes are taken out
  - W-2 Forms
  - Unemployment letter
  - Award letter from Social Security Office, VA, or Railroad Retirement Board
  - 1099’s received from IRS
  - Paper from the IRS that shows client did not file taxes
  - Self-employed clients may bring accounting records or income tax return for the most recent calendar year. (Entire tax return must be provided in order to allow deductions for business expenses.)

## Service Fees

**Service Fees** are subject to change throughout the year. We are happy to speak with you by phone or in person to tell you what a service costs, answer questions about our fees, and provide fee documentation on request. To speak with the Accounting Department, call 828-250-5218.

### Medical Records Copy Charges

The BCHHS-DH charges for Medical Record and Environmental Health Record copies are within the limits set by North Carolina state law (GS §90-411).

Copying charges are:

- \$.75 per page for up to 25 pages;
- \$.50 per page for pages 26 through 100;
- \$.25 for each page thereafter.

# Buncombe County Recreation Services

Josh O'Conner, AICP, CZO, CNUa, CFM  
Manager

## Buncombe County Recreation Services Facility Use and Fee Regulations Form

1. Buncombe County sponsored events and programs have priority use over private individuals or groups. All other facility rentals will be granted on a first come first serve basis.
2. All Buncombe County Parks are NO SMOKING facilities.
3. No items may be sold at any Buncombe County Recreation Services (BCRS) facility without a contract with BCRS.
4. All events must be reserved through the BCRS office. All events not cleared through this office will not be acknowledged and any conflicting event cleared through the BCRS office will receive priority.
5. Events over 50 persons in size shall be required to provide proof of insurance. The BCRS Director has the ability to waive the requirement based on evidence demonstrating a low risk of liability to the County and with the consent of the County's Risk Manager.
6. In order for a facility to be reserved, a *Facility Use Application* must be completed and filed with the BCRS office prior to the facility use date.
7. The total usage fee must be paid at the time the application is filed. Failure to do so will result in a null application. In the event of a cancellation, a refund of 75% of the total cost will be refunded for cancellations made at least 30 days prior to the date of usage. No refund will be issued for events cancelled less than 30 days prior to the scheduled event.
8. Full refunds will be issued at the discretion of BCRS for events cancelled or postponed due to inclement weather. BCRS reserves the right to refuse a refund if it is determined that weather did NOT play a significant role in the cancellation or postponement.
9. BCRS has no storage area for equipment and is not responsible for any theft or damage to personal equipment and belongings at any County facility. Do not leave equipment, personal items, picnic supplies, etc. unattended.
10. Any party, person, organization, group or assemblage of persons using any facility in a manner contrary to or violating any of the rules and regulations of the County, State, Federal or other governmental authority or terms of the contract shall, at the option of BCRS become banned from any future or immediate use thereof and any permit issued or agreement made for such shall forthwith, at the option of BCRS, be cancelled, null and void. No refund will be issued.

11. No park apparatus may be removed or displaced by the Lessee without permission from and under the supervision of the BCRS Director or her designated representative. Any apparatus so removed or displaced must be replaced to the satisfaction of the BCRS Director by the Lessee before departing from the property.
12. Utilities will not be furnished by BCRS.
13. BCRS requires a 10% percentage of registration fees, ticket sales and/or parking fees charged at any event.
14. Organizations leasing the facilities are responsible for the adequate cleanup of the facility. Organizations are also responsible for any damage that occurs because of direct or indirect usage of the facility.
15. It is understood and agreed that the County of Buncombe is free of liability for personal injury or property damage claims that may arise or occur during the schedule use of the facility by lessee and that no cause of action shall accrue to organization, its users, participants, guests or spectators for injuries or property damage of any kind whatsoever arising from use of the facility by lessee organization. Applicant agrees to hold Buncombe County, its agents and employees harmless from all such claims for personal injury or property damage.

# SOIL AND WATER

## From Soil & Water Conservation:

All Buncombe County residents are eligible to rent equipment. If you're interested, call Soil & Water at (828) 250-4785. The following items are available to rent.

**Weed Wiper:** The weed wiper can be used to control invasive weeds and small brushy growth in hay and pasture fields, resulting in better stands of grass and higher productivity. The wiper can be towed to the farm using a pickup or SUV then attached to a tractor or ATV for use in the field. The wiper is 12 feet wide in the field use configuration. \$30/day

**No-Till Grass Drill:** The Truax FlexII seed drill features double disc furrow openers and depth bands to optimize seed placement and seed to soil contact. It has multiple seed boxes allowing it to seed native fluffy seeds, cool season species, small grains, legumes, and wildflowers. Planting can be accomplished as no-till and inter-seeding in most conditions. \$50 minimum or \$10/acre.

**Post Driver:** The post driver can be used to improve existing fencing, expand pastures, and add cross fencing for rotations and will reduce labor costs and improve profitability. The unit is capable of driving up to eight inch diameter posts and has a pilot auger to use in if the soil is difficult to penetrate. \$50/day
