GB Shoes intends to donate approximately 600 pairs of brand name shoes to the DSS Foster Care Program of Buncombe County. In addition, we intend to donate 300-400 pieces of essential clothing as well and our ultimate goal is to help the Foster Care program establish a locker box of shoes and essential clothing that they are able to access throughout the year. It is very difficult to put a value on the total contribution but I estimate it to be approximately \$14,000 to \$15,000. In addition I, and several other contributing citizens, intend to donate an additional contribution to the Buncombe County Service Foundation to be designated specifically for use by the Foster Care program, the amount of which is to be determined following our Foster the Family Celebration on Saturday November 9th.

Please feel free to contact me at 828-337-0701 with any questions regarding this intended contribution.

Sincerely,

Scott Houser
