

Arden Seventh-day Adventist Church

November 6, 2019

Buncombe County **HHS**

The Bags of Love Ministry a part of the Arden Seventh-day Adventist church would like to donate to all kids going into custody of DSS a bag prepared with love for each child. The bag is homemade with a drawstring and pocket on the outside. Each bag contains a stuffed animal, blanket, hygiene products, devotional books, journal or coloring book, toys and games. Each bag is age and gender specific. We supply bags for ages infant to 18 years. The infant bag contains diapers, wipes, bottle, soap, along with blanket and stuffed animals. Some of the items will vary depending on what is available.

We make the bag to be a comfort and bring a smile in a difficult time and also to have items of fun and need. The bags value between \$15.00 – \$25.00 each.

Sincerely,

Kathy Herbert
