Subject: One-time Increase of the Methodist Home Grant for "Raise the Age"

Brief Summary:

A one-time increase of \$82,100 is being distributed by the State of North Carolina for Raise the Age Legislation. These additional dollars shall be used to ensure appropriate services and resources provided to juveniles served by this grant.

Earlier this fiscal year, the Methodist Home Grant was renewed at \$900,000. This program delivers evidence-based services in a non-secure residential setting. These services include, but are not limited to, temporary crisis care, assessment and therapeutic residential services as a Dispositional Alternative, defined in NCGS 7B-2506, for Level II Adjudicated male and female youth. Buncombe County serves as a pass-through for these funds. Administration and monitoring is the responsibility of NCDPS.
