Insolvent list of Tax Bills

for the fiscal year 2020 Tax Settlement

North Carolina General Statute 105-373(g) allows the governing body of any taxing unit, in its discretion, to relieve the Tax Collector of the charge of taxes owed by persons on the insolvent list that are five or more years past due when it appears to the Board the taxes are uncollectible.

The Insolvent list of tax bills shown below are "Personal Property" tax bills for tax years 2009 through 2014. Efforts have been made to find and contact all property owners shown for each tax bill. These tax bills are deemed uncollectable and permission is requested from the Tax Collector to have the noted tax bills removed from the County's receivable list of tax bills.

There are a total of 355 Personal Property tax bills shown on the list below with a total amount of \$40,146.14 being requested for removal.
