**Subject:**

Center for Tech and Civic Life Grant - State of North Carolina

**Brief Summary:**

In October, Commissioners approved a grant from the Center for Tech and Civic Life to assist with General Election costs. The same grantor also provided funds to the State Board of Elections, which were then disseminated to counties near the beginning of December for pollworker hazard pay in the amount of \$100 per worker. The hazard payments have already been distributed due to time constraints with the dollars. This amendment will increase the budget to show receipt of these funds from the State of North Carolina in the amount of \$72,822.
