Reinstate Project: Roofing Projects FY2016

**Brief Summary:**

On the March 3, 2020, the Board approved a budget ordinance to close several projects related to the School Capital Fund Commission.

Recently, it came to the attention of the Budget and Finance Departments that one project was prematurely closed. The project, Roofing Projects FY2016, totaled \$754,000 and had \$45,080 remaining. This project needs to be reinstated at the remaining amount in order to be completed.

These are not new dollars as the remaining balance was previously moved back into the School Capital Fund Commission available balance and will be reappropriated from there for this amendment.

The School Capital Fund Commission approved this amendment on March, 8th, 2021.
