Purpose of the Committee

• This loan fund is especially intended to guarantee the loans for borrowers whose main weakness is lack of collateral.

• The loans offered are in the range of $5,000.00 to $70,000.00. We’ve partnered with Mountain BizWorks, Carolina Small Business and Self Help Credit Union.
Dates and Accomplishments

• October 18, 2018  
  Buncombe County Government along with the City of Asheville, signed an agreement to officially begin the Mountain Community Capital Fund.

• April 5, 2019  
  The committee had their first official meeting; during which the Rules of Procedure, Underwriting Guidelines and Loan Maintenance were all adopted.

2020  
  The Buncombe County Board of Commissioners unanimously voted to extend the MCCF committee for an additional five years. This allows us to continue the work that will impact small businesses within our community in a positive way.
Financial Update

• The MCCF has 8 active loans
• The total loan amount: $290,499.62
• Total guarantee amount: (85% of each loan) $246,924.68

• The MCCF is a $450,000 fund ($203,075.32 remaining)
Impact

• Number of jobs created: 46 (full time & part time)

• Number of jobs retained: 22 (full time & part time)

• African American Men: 4

• African American Women: 3

• Other Minority: 1
Goals

Look to partner with more organizations in order to grow the fund to allow for more loans, and continue to impact small business owners.
