Subject: Appointments to Leicester Volunteer Fire Department Fire Relief Fund Board

Brief Summary:

The Firefighters' Relief Fund is found in N.C.G.S. 58-84-35 and is funded via a gross premium assessment paid by all North Carolina licensed insurance companies. This assessment is allocated across functions, which includes 20% for relief funds. Each fire department, if a member of the North Carolina State Firemen's Association, should have a relief fund and accordingly a board of trustees. The board of trustees shall have entire control of the funds derived from the provisions of this Article, and shall disburse the funds only for the purposes as defined in this Article to provide assistance and protection to firefighters.

The members of this board are elected in multiple ways, including that the City or County Commissioners must appoint two for each fire department in its district. The Leicester Fire Department has submitted a recommendation for these appointments.

Recommended Motion & Requested Action:

 - a. Ronald Prestwood
 - b. Karla Reed
