**Subject:** 2022 Governor's Volunteer Service Award

**Brief Summary:** Buncombe County began accepting nominations for the 2022 Governor's Volunteer Service Award in January of 2022. Volunteers are an integral part of our community, offering their time and energy to important causes, often without reward or recognition. The Governor's Volunteer Service Award honors the true spirit of volunteerism by recognizing individuals, groups, and businesses that make significant contributions to their community through volunteer service. The award program, created by the Office of the Governor in 1979, recognizes North Carolina's most dedicated volunteers. Through the years, the award honors thousands who have shown concern and compassion for their neighbors by volunteering in their local community.

On April 28, we received Buncombe County's winners and would like to take a moment to properly acknowledge our Volunteers.

**Recommended Motion & Requested Action:** For public recognition only
