The CD Division is authorized to:

- 1,500-1,850 rental units for households at $\leq 80\%$ AMI
 - average at $\leq 60\%$ AMI across all households
 - 1,200-1,480 units should leverage the LIHTC program

- 500 repair units for households at $< 80\%$ AMI
- 400 ownership or rental units for households at $> 80\%$ to $< 120\%$ AMI (noting that funding available through the AHSP may not be used to accomplish this goal)

VII. PROJECT PRIORITIES & PREFERENCES

Funding constraints, individual project merits, and achievement of the desired mix of project types will all factor into project prioritization. Strong preference will be given to projects that demonstrate intent to leverage other sources of debt, equity, or other funding prior to and beyond the AHSP request. Strong preference will be given to projects that include deferred developer fees. Strong preference will be given to projects that accept vouchers. Applicants seeking only program administrative support or applications where the proportion of administrative support is high relative to project costs are less preferred.
