# Introduction

This fee schedule includes Buncombe County fees for the 2024 Fiscal Year - July 1, 2023 through June 30, 2024.

## **North Carolina General Statutes**

Fees established by North Carolina General Statutes may be included.

## **WNC Regional Air Quality Agency Fees**

Air quality fees are determined by the WNC Regional Air Quality Agency (WNCRAQA) Board per the Interlocal Agreement between Buncombe County and the City of Asheville and may change from year to year. These fees, including definitions and additional details, are included in Chapter 17.0203 of the Agency's regulations, which can be found under *Regulations & Forms* on the website at [www.wncairquality.org](http://www.wncairquality.org).

With the exception of the annual Title V tonnage fee, which is determined each year by the Board as part of the budget process, all other fees are adopted into the WNCRAQA Code through the Agency's rule making process, which includes public notice and comment procedures. Chapter 1 of the WNCRAQA Code includes the Interlocal Agreement, the authority under which the program is administered.

## **Health and Human Services Fees** (Clinical Services, Division of Social Services, and Environmental Health Fees)

Per North Carolina General Statute 153A-77(d)(1) the Consolidated Human Services Board has the authority to set fees for departmental services based upon recommendations of the Human Services Director.
