Subject: Line Worker Appreciation Day Proclamation

Brief Summary: This proclamation was brought to staff by Commissioners Edwards, Moore, Wells, and Whitesides.

Duke Energy respectfully requests the Buncombe County Board of Commissioners to issue a proclamation recognizing April 18th as National Line Worker Appreciation Day.

The hard work of our line workers to maintain our electrical infrastructure and restore electrical service when needed is essential to us all here in Buncombe County and often includes working in the harshest of conditions. Line workers consistently deliver an essential service while being committed to excellence, integrity, and teamwork.
