Contact(s): Amy Broughton, Staff Attorney

Subject: Resolution Supporting NC DOT Project

Brief Summary: The North Carolina Department of Transportation (“DOT”) is planning to construct a turning lane for northbound traffic on NC-63 at the intersection of Old Leicester Highway. The project will use the existing right-of-way and is expected to cost \$350,000. No financial match of County funds will be required.

N.C.G.S. § 136-11.1 requires the DOT to notify municipalities and counties affected by a planned transportation project and request a written resolution expressing the county’s view on the project. Accordingly, the DOT notified the County by and through Planning and Development and is requesting that the Board of Commissioners support this project.

Recommended Motion & Requested Action: Adopt a resolution supporting the project.
