Subject: PSIP and CDE Agreements

Brief Summary:

The Public Safety Interoperability Partnership (PSIP) and Centralized Data Entry (CDE) programs are County services provided to Public Safety agencies in Buncombe County. The PSIP program provides IT application support for Law, Jail, and 911 core systems and interfaces. The CDE program provides services including, but not limited to, master name records, arrest processing, and jail intake. The PSIP and CDE agreements define these services offerings, the cost associated with them, and the governance there of. The appropriate city and town governing bodies have considered and authorized its managers to execute the agreements with Buncombe County.

Recommended Motion & Requested Action: Authorize County Manager to enter into CDE and PSIP agreements.

County Manager's comments and Recommendations: Approve as presented.
