SPF GRANT QUESTIONS

- Area served
- Organization description (mission, accomplishments)
- Strategic priority **staff may reassign*
- What critical community problem/need are you hoping to improve?
- How will the project work? (key steps, milestones)
- Who will be served? (how many people/demographics)

SPF GRANT QUESTIONS (con't)

- What organizations are you working with? (partnerships, collaborations)
- Who is responsible for the project? (description of personnel)
- How will you measure results? What does success look like?
- What is your plan for funding the balance of the project budget?
- How will this project be maintained?

What other questions can we answer for you?
