Fiscal Year 2019 Financial Audit Presentation

Chris Kessler, Principal for CLA (CliftonLarsonAllen LLP), presented to the Buncombe County Audit Committee in regards to the fiscal year 2019 external financial audit. The presentation, which is included in these minutes, covered:

- Audit Services to be Performed
- Auditor's Responsibilities
- Planned Scope and Timing
- Audit Approach
- Governance and Management Responsibilities
- Communication Throughout the Audit
- GASB Update

During and after the presentation, the following items were discussed:

- [Q] In prior years, the October 31st deadline was frequently missed due to the delayed release of required state reports. When were the reports released for fiscal year 2018?
[A] CLA will verify, but believed to be in September 2018.
- GASB Updates and Emerging Issues
 - CLA recommends that governments begin work now on reviewing and planning for the changes associated with upcoming GASB Statement implementations, particularly Statement 84 (Fiduciary Activities) and Statement 87 (Leases).
 - GASB aims to reduce "off the balance sheet" risks by accounting for such items on the balance sheet.

- While Statement 87 is not expected to have a significant impact to the financial statements, it will require considerable time and effort in capturing all applicable leases, which include service agreements that may include an underlying asset (examples include water cooler services or coffee machine services).
 - GASB does not define materiality.
 - Per Don Warn, the County Finance staff is preparing for these GASB statements, and reiterated that the Cobblestone contract software will be an important part of pulling information together.
 - [Q] What if the leases are less than the capitalization threshold?
[A] Leases should be examined in the aggregate, not individually.
- [Q] Where does CLA audit staff assigned to Buncombe County come from?
[A] CLA has a state and local government team, and most of the team assigned to Buncombe County's audit will come from the East Coast.

Fiscal Year 2019 Audit Contract

Don Warn reviewed the fiscal year 2019 audit contract with the Audit Committee. Highlights include:

- Audit Fee for the Primary Government of \$120,030
- Audit Report Due Date of 10-31-2019
- Required by Local Government Commission (LGC)
- Note to the Audit Committee: Any amendments to the contract throughout the course of the audit would go through the Audit Committee and Board of Commissioners for approval.

Kendra Ferguson moved to approve the fiscal year 2019 audit contract. Robert Pressley seconded the motion. The motion passed unanimously.

Meeting Schedule

Larry Harris reminded the committee of the regular meetings scheduled for the remainder of the calendar year: October 15, 2019 and December 3, 2019 (both at 9:00 AM). Avril Pinder reminded the Committee that a special meeting would be called for July 29, 2019 for the full Committee to review and approve the candidate for the Internal Audit Director position. Larry Harris also reminded the Committee that if any special meetings were necessary during the external audit, it would be communicated at that time. Kendra Ferguson, Mike Kneppshield, and Danny Yelton agreed to continue to serve as the External Audit Subcommittee.

Public Comment

Larry Harris noted that there was no member of the public present in the meeting room to make comment.
