Greg Israel, General Services Manager
Buncombe County
Asheville, NC 28801

Dear Greg:

Barnardsville Volunteer Fire Department has made a request for a used patrol vehicle. The vehicle would be used for administrative purposes and traveling to training. They are currently relying on their emergency apparatus for department business that is more routine in nature.

We have a patrol vehicle being taken off-line (1537). Please consider their request to give this car to them.

Sincerely,

Van Duncan
Sheriff
