Narrative summary of grant related activities

Overall project updates:	<p>There were 11 children enrolled in this classroom from Oct.1 to Dec. 31. Of these children, 8 were enrolled in in-person classroom-based services and 3 were provided home-based virtual services. Child assessments are on-going including developmental, dental, and vision screenings. Additionally, family assessment and goal setting is being accomplished virtually with families. All families requesting assistance received holiday food boxes and gift support from Foster Memorial, Toys for Tots, Eblen Charities and other organizations.</p>
COVID-19 impacts:	<p>As a result of the COVID-19 pandemic, CAO has adapted existing protocols to meet CDC and NC DCDEE health and safety recommendations. There were 11 children enrolled in this classroom from Oct.1 to Dec. 31. Of these children 8 were enrolled in in-person classroom based services and 3 were provided home-based virtual services. This helps to ensure our classrooms are as safe as possible for children, families and staff. We will re-evaluate this throughout the year.</p> <p>The classroom was all virtual for a few days out of the quarter as a result of potential COVID exposures to either staff or children in addition to being all virtual for the three days prior to the winter holiday break.</p>
Activities related to increasing equity, diversity and inclusion:	<p>CAOHS implements the Second Step program to support the social and emotional growth of children. Second Step teaches children to recognize and identify their own feelings and the feelings of their peers. Second Step supports building a classroom community that values respect for others, inclusion and diversity.</p> <p>CAOHS has developed a goal to "build an inclusive community around shared values for equity to improve the wellbeing of our children, families and staff." Staff is in the process of developing the objectives and activities to achieve the goal.</p>
Activities related to increasing operational excellence:	<p>CAO HS builds comprehensive family, health, mental health, nutrition, disabilities and education services that provide children, families, and classrooms with a circle of support so that families become more self-sufficient and children are prepared for Kindergarten.</p> <p>This year, we have focused on being flexible to meet the health and safety requirements of children and classrooms. The hybrid classroom/virtual service model supports children and families where they are comfortable. We increased the guidance and training for teachers to help them better implement Second Step and build children's social emotional well-being.</p>
