

# FY2024 Buncombe County Strategic Partnership Grant Report

<b>Organization Name:</b>	Bountiful Cities	
<b>Project Name:</b>	Community Garden Network and Edible Park Support	
<b>Reporting Quarter:</b> (Check one)		Quarter 1 (July 1, 2023 - September 30, 2023)
	x	Quarter 2 (October 1, 2023 - December 31, 2023)
		Quarter 3 (January 1, 2024 - March 31, 2024)
		Quarter 4 (April 1, 2024 - June 30, 2024)

## Narrative summary of grant related activities

Please provide a brief summary (no more than 1500 characters). You may attach supplemental documents if needed.

<b>Quarter 1</b>	<p>In the first quarter we assisted in planning and facilitating 4 community work days at George Washington Carver Edible Park and 1 community workday at West Asheville Edible Park; Worked with new neighborhood leaders to plan workday, update site maps, remove invasive vines, harvest fruit, engage neighbors, and promote to neighborhood groups.</p> <p>We also held 3 workshops; Cooking in the Garden with Arturo Carillo at Elder and Sage on July 15(10 participants), Home and Container gardening with Chaka Gordon at Deaverview Community Center on August 19(13 participants), and Edible Plant walk with Mark Williams at Tempe Avery Edible Park on September 15(17 participants). The participants at the Deaverview workshop have had a lot of success growing late summer crops in their new gardens and are looking forward to having fresh greens this winter.</p> <p>We were able to distribute \$425 to each of the 9 Community gardens who participated in the 2023 Urban Garden Tour (Lucy S Herring, Hall Fletcher, Peace Gardens &amp; Market, 12 Baskets, Elder and Sage, West Asheville park, Soutside Community Farm, George Washington Carver Edible Park/East End Valley St. Community Garden, and Pearson Garden). The gardens can use those funds to improve the production of their gardens.</p>
------------------	---

<b>Quarter 2</b>	<p>A noteworthy development during this quarter was the addition of a new Community Garden Network Co-Coordinator to our team. This strategic hiring aimed to enhance our outreach and support for community gardens in Buncombe County. During the onboarding process, we prioritized building relationships with local garden managers. Visits to several school and community gardens allowed our team to connect with garden managers and understand the unique needs of each community. These visits were instrumental in laying the groundwork for collaborative efforts.</p> <p>We actively participated in the planning and facilitation of community work days at George Washington Carver Edible Park and West Asheville Edible Park. These events served as platforms for removing invasive vines, planning initiatives for 2024, engaging neighbors, and improving communication within neighborhood groups. The success of these workdays was a testament to the dedication and collaboration of community leaders.</p> <p>Two workshops were organized during the quarter to provide valuable knowledge and skills to our community. The first workshop focused on "Greenhouse and Hoop House Growing" with expert Declan King at the Peace Garden &amp; Markets on October 4. The second workshop, held at the Grove Street Community Center on November 4, centered around "Mushroom Log Inoculation" with Chris Parker. These workshops were complemented by a meet-up and potluck, fostering community connections and shared learning experiences.</p>
<b>Quarter 3</b>	

Quarter 4
