## Narrative summary of grant related activities

Please provide a brief summary (no more than 1500 characters). You may attach supplemental documents if needed.

<b>Quarter 1</b>	<p>The overall goal of this project is to prevent domestic violence through awareness, education, and support for survivors and community members in Buncombe County. We are providing information in community-based settings including schools, faith communities, healthcare provider offices, workplaces, and community gathering places on how to access victim services, form healthy relationships and recognize unhealthy ones, resolve conflicts peacefully, and how to set and respect boundaries.</p> <p>Strategies we have engaged in throughout Q1 include printing educational materials in Russian &amp; Ukrainian, participating in community events &amp; festivals, providing professional education to first responders and child-serving professionals about how to serve people experiencing/exposed to domestic violence, providing information sessions to people incarcerated in the Swannanoa Valley Correctional Center for Women, and participating in MAHEC's Centering Pregnancy series.</p> <p>Our goal is to reach 5,000 workshop attendees cumulatively in FY23-24, with 500 of those folks coming from Black Mountain or Fairview. In Q1, we reached 1,101 people, 163 of whom came from those targeted communities. We seek to have 90% of our attendees demonstrating increased knowledge about the dynamics of domestic violence and the resources available for survivors in Buncombe County. Of the folks who we reached in Q1, 99% demonstrated knowledge increases.</p>
