Quarter 1	<p>The MotherLove program lost it's MotherLove coordinator in August which set the program back. The plan was to begin working within the schools in the month of August so that we can begin lunch bunches again. The Women's Empowerment director has stepped in to provide services and support to current clients. We will plan on getting into the schools again no later than the second quarter. There was a participant that was discharged from the program as she was no longer engaging in the program. We also had to discharge another participant because her child passed away in an auto accident, unfortunately. The program mobilized to support the family, as well navigate the loss of this family (as they were enrolled in two YWCA services). Though, no longer officially a part of MotherLove we continued to provide resources to her from the women's empowerment department to include personal support and resource connecting.</p>
