within the schools in the month of August so that we can begin lunch bunches again. The Women's Empowerment dire stepped in to provide services and support to current clients. We will plan on getting into the schools again no later that second quarter. There was a participant that was discharged from the program as she was no longer engaging in the public well also had to discharge another participant because her child passed away in an auto accident, unfortunately. The public mobilized to support the family, as well navigate the loss of this family (as they were enrolled in two YWCA services). To no longer officially a part of MotherLove we continued to provide resources to her from the women's empowerment deput to include personal support and resource connecting.  Quarter 2  The MotherLove program continues to operate without a MotherLove coordinator. The current Director was hired at the October and has been fulfilling coordinator duties in the interim. There is one program participant who has not respond efforts to communicate and will likely be discharged by the end of January 2024. One new participant joined the program November. The new Director has begun some outreach to schools.
