Narrative summary of grant related activities

4 adults participated in the specific INA tranings, training and mentorship which were provided over a 4 month period with a total of 10 sessions. Through our ongoing voucher and outreach programming, we served 5-60 youth through collaboration with Christine Avery Learning center. These programs included behavioral observations and consultations, staff and parent workshops (2 each; parents 25 and staff 25 served). We also provided vouchers for 20 people during our first two quarters of the fiscal year for a total of 4 groups.
