

Buncombe County HHS

School-Related COVID Dashboard

New school-related cases are reported weekly every Thursday at 9 a.m. Any clusters will be reported to the NCDHHS by the local health department and updated on the [NCDHHS dashboard](#). Schools will notify their school community of clusters via available communication channels.

For any questions about the data on this form, please contact the appropriate school administration.

Definitions

School-related = positive cases in individuals who have attended or taught school in-person

Cluster = A minimum of 5 cases at one location with plausible epidemiologic linkage between cases, as determined by local public health officials
