Local Innovative Practices: Making a Difference in the Community!
What is age-friendly healthcare? Age-friendly healthcare is an evidence-based framework which focuses on four core elements in providing high quality care to older adults: what matter most, medication, mentation, and mobility. Learn how AdventHealth provides high quality care. Presented by Anna Hicks, MD, Administrative Director of Age-Friendly Services at AdventHealth Hendersonville.

10:50 – 11:10 Break

11:10 – 12:00 Two Breakout Sessions
North Carolina Institute of Medicine (NCIOM) Healthy Aging Taskforce: Recommendations for Aging Service Professionals
The North Carolina Institute of Medicine (NCIOM) convened The Taskforce on Healthy Aging in 2022-23 to produce recommendations to support aging in place and opportunities for older adults to thrive. The recommendations support topics related to aging - social connections, falls prevention, food and nutrition security, and mobility. Presented by Brieanne Lyda-McDonald, MSPH, Project Director, North Carolina Institute of Medicine.

Caregiving Across the Lifespan: Tips for New Caregivers & Managing Stress
While family caregiving can be a rewarding experience, it requires one to fill a variety of roles and comes with many challenges that can make the caregiver overwhelmed and sometimes intimidated by their duties and responsibilities. This talk will identify the roles a caregiver plays, address and discuss ways to deal with caregiving challenges, and more. Presented by Jim Smeaton, Owner/Director of Client Care of Always Best Care Senior Services.

Caregiving can be overwhelming with so many demands. This talk will give an overview of the Land of Sky Area Agency on Aging’s Family Caregiver Program and its work with local providers. Presented by Edward Jones, MSW, Family Caregiver Specialist at Land of Sky Area Agency on Aging and Steffie Duginske, Family Caregiver Support Specialist at Council on Aging of Buncombe County.

12:00 – 1:00 Lunch/Networking/Visiting Vendors

1:00 – 1:45 Platinum Sponsors Presentations (6 minutes each)

2:00 – 2:50 Two Breakout Sessions
NC Multi Sector Aging Plan, All Ages All Stages NC: What You Need to Know!
All Ages, All Stages NC (AAAS-NC), initiated by Governor Cooper’s Executive Order 280, brings together diverse stakeholders to advance solutions that address the challenges faced by an aging population. We will spotlight efforts of the workgroups established to help identify priorities for the AAAS-NC plan. Presented by Rebecca Freeman, MPH, Human Services Planner/Evaluator III, Division of Aging, NC Department of Health and Human Services.
Planning As We Age: The Four Important Documents You Need Now and Long-Term Care Planning and Asset Protection

Advanced Directives: Creating a Will, Power of Attorney, Health Care Power of Attorney, and MOST. What are these documents, how to draft good ones, and what to do with them once you have them. 

Presented by Casey Steen, JD, Elder Law Program Director at Pisgah Legal Services.

Paying for long-term care doesn't mean you have to go broke or sell everything you have, but you do need to make a plan and be prepared. Dispel myths surrounding paying for long-term care and provide concrete methods to protect your hard-earned assets while still accessing needed care for you or your loved ones. Presented by Brian T. Lawler, Attorney, The Forest Law Group.
