Buncombe County Public Health

40 Coxe Avenue | Asheville, NC 28801

*Parking is located next to the bus station across the street.*

The MindKare® kiosk, a program of Screening for Mental Health, offers a quick, anonymous screening assessment for treatable conditions like depression and anxiety, as well as information about treatment resources in the area. It makes checking in on your mental health as easy as checking your blood pressure.

The MindKare® kiosk is provided by
