

General Election

Early Voting

Overview

Buncombe County Board of Elections will hold several public meetings to consider the proposed early voting implementation plan for the 2024 General Election. Input will be taken in person and via online survey. The proposed plan will be posted online on Monday, April 22nd for the public to view and have an opportunity to provide feedback. All meetings will be held in person (59 Woodfin Pl, Asheville 28801) and virtually.

Implementation Plan Review and Meeting Schedule:

- Monday 4/22 Public input survey opens online at noon.
- Tuesday 4/23 (3:30pm) Proposed Implementation plan presented to Board.
- Tuesday 4/30 (3:30pm) Preliminary review of online public input and inperson input.
- Friday 5/3 Public input survey closes online at 5:00pm.
- Tuesday 5/7 Final review and vote by Board.

The Board must approve a plan by a unanimous decision. It is up to the Board to determine the number of early voting sites and weekend hours for the 2024 General Election. Current statutory¹ requirements mandate specific hours for weekdays and for the last Saturday. Under the same law, county board of elections are permitted to choose a site other than its office if the site is "reasonably proximate" to the office. These sites are typically referred to as "in lieu of sites". The State Board provided additional guidance in the form of a numbered memo² which specifies how to determine if a site is reasonably proximate to the county board of elections.

Hours of Operation Mandates:

- Mandatory weekday hours are still 8:00 am to 7:30 pm.
- Last Saturday of early voting hours are still 8:00 am to 3:00 pm.
- Must maintain uniform hours for all sites. If one site is open, then all one stop sites must be open for the same number of hours. This requirement applies to weekdays and weekends.

Proposed Plan

2024 General Election

Staff is recommending the 13 early voting sites listed below. We also highly recommend that the Board approve weekend hours that would allow for only one shift to work per day instead of the two shifts that poll workers normally work weekdays. This will ensure poll workers can rotate days and have a day off during the two and half weeks we are open.

Proposed Sites:

- 1. Bee Tree Fire Station 510 Bee Tree Rd, Swannanoa 28778
- 2. Black Mountain Library 105 N. Dougherty St, Black Mountain 28711
- 3. East Asheville Library– 3 Avon Rd, Asheville 28805
- 4. Enka-Candler Library 1404 Sand Hill Rd, Candler 28715
- 5. Fairview Library 1 Taylor Rd, Fairview 28730
- 6. Friendship Center 142 Shiloh Rd, Asheville 28803
- 7. Leicester Community Center 2979 New Leicester Hwy, Leicester 28748
- 8. North Asheville Location TBD
- 9. South Buncombe Library 260 Overlook Rd, Asheville 28803
- 10. UNC-Asheville (specific location within campus to be determined)
- 11. Weaverville Community Center 60 Lakeshore Dr, Weaverville 28787
- 12. Wesley Grant Southside Center (in lieu of BOE) 285 Livingston St, Asheville 28801
- 13. West Asheville Library 942 Haywood Rd, Asheville 28806

Recommended Weekend Hours:

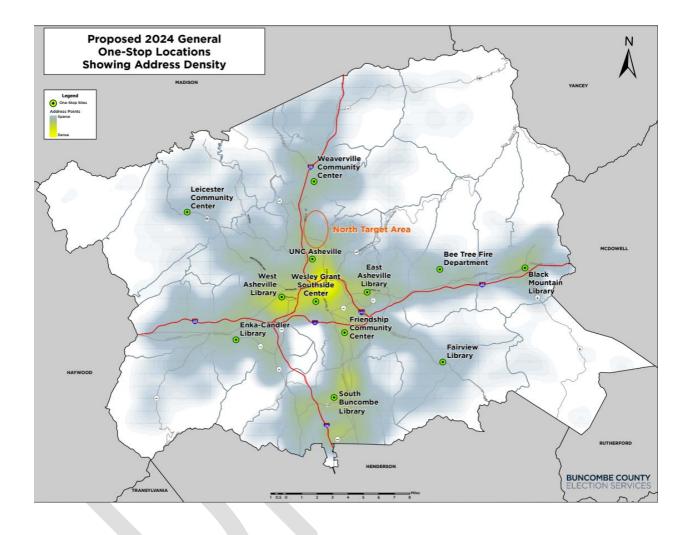

- Recommend one shift on Saturday and/or Sunday.
- Recommended weekend hours of 10:00 am to 3:00 pm, five hours plus the additional time needed to complete opening and closing duties.
 - Open both Saturdays October 19 and October 26
 - Open one Sunday October 27

Inclement Weather:

In the event of inclement weather, staff proposes that as part of the implementation plan, we will adhere to the following changes in the hours of operation:

- If all of Buncombe County public offices and/or libraries close or operate on a delayed schedule due to inclement weather, each early voting site will follow Buncombe County's directive.
- The Director of the Board of Elections is responsible for communicating any delays or closings to the personnel operating the early voting sies and notify the public as soon as possible upon receiving the information from Buncombe County.
- In case of partial closures, the Board will be required to meet.
- These changes in hours of operations follow Resolution 2024-01 that was approved by the Board on February 6, 2024. See appendix.
